JAYAPRAKASH SARAVANAN

MSc Software Systems Student

Phone: +919566607726 Email: jaya05399@gmail.com TamilNadu, India

ABOUT ME

MSc Software Systems student with strong full-stack development skills and a passion for emerging technologies. Known for problem-solving, clear communication, and teamwork. Actively engaged in coding contests, seminars, and research, with a focus on delivering practical, scalable solutions.

EDUCATION

PERCENTAGE

SSM Lakshmi Ammal Matriculation Higher Secondary School - 10th | SSLC - 2019 83%

SSM Lakshmi Ammal Matriculation Higher Secondary School - 12th | HSC - 2021 83.25%

Kongu Engineering College - Msc Software Systems | 2021-2026 CGPA: 7.31

SKILLS

- Technology: c, java, Python, javascript, HTML, ReactJs, Angular, MongoDB, MySQL, GitHub, NodeJS, DevOps
- Language : English(Professional), Tamil(Native)

PROJECT

- Al-Based Heart Disease Prediction (Research Project, 2025)
 - Co-authored and implemented a hybrid deep learning model (CNN-GRU-Transformer) for heart disease prediction using SHAP explainability and Bayesian optimization.
 - Tools: Python, TensorFlow, Scikit-learn, SHAP, Optuna
- Men's Clothing E-Commerce Site (MERN Stack, July 2024)
 - Built a full-featured e-commerce website with cart, authentication, admin dashboard and order management.
 - Stack: MongoDB, Express.js, React.js, Node.js, Tailwind CSS, JWT, Firebase
- Doctor Appointment System (MERN Stack, Nov 2024)
 - Developed a dual-role app for patients and admins with secure appointment booking and role-based access.
 - Stack: MERN, JWT, React Router
- PHP-Based E-Commerce Website (XAMPP, May 2023)
 - Created a basic e-commerce platform with shopping cart and admin panel functionalities.
 - Tech: HTML, CSS, JS, PHP, MySQL

Strengths & Core Competencies

• Problem Solving • Collaboration • Adaptability • Critical Thinking • Communication

Passion

Full-Stack Development
Ull UX Design
DevOps and Automation
Continuous Learning & Technology Adaptation

CO-CURRICULAR ACTIVITIES

- Participated in Paper Presentation on Cloud Gaming And Won the Second Place in team presentation in National-Level Technical Symposium at PSG College, Coimbatore.
- Participated in Coding Contest in National-Level Technical Symposium at PSG College, Coimbatore.
